

REMARKS

In applicants' amendment filed on January 4, 2005, the word "set" was inadvertently omitted from line 6 in applicants' reproduction of allowed claim 10. Applicants have corrected the omission herein by reciting the claim as allowed by the Examiner. Applicants have merely corrected a typographical error, claim 10 is not being amended.

Applicants have amended claim 11 to correct an obvious typographical omission. Claim 11 now recites the phrase "setting a" transmitting power as disclosed in applicants' specification. No new matter has been added

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief, including extensions of time, and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 449122007200.
